

**61%** - The percentage of Americans who support the key part of the Obama administration's health care plan giving people the option of a government health insurance plan that competes with private plans. (Source: Quinnipiac Polling Institute)

**33%** - The percentage of adult consumers who grade their personal finances as good or excellent. (Source: Rasmussen Reports LLC)

**25%** - The percent of Americans who say they think they will support the final healthcare bill, 33% say they think they will oppose the bill, and another 39% say their decision depends on some of the decisions that have yet to be made about the bill. (Source: Gallup)

**\$10.7K** - The amount owed by the average household in credit card debt, up 29% from 2000. (Source: CardWeb.com Inc.)

**68%** - The percent of Americans who believe one or both parents of six-year-old Falcon Heene should be criminally prosecuted if the Balloon Boy incident is proven to be a hoax, but most don't believe they should lose custody of their children. (Source: Rasmussen Reports LLC)

**\$740** - The average of what Americans say they will spend on Christmas presents this year. That is down from the \$801 recorded at this time a year ago, but higher than the \$639 prediction that Americans gave two months later during the 2008 holiday recession. (Source: Gallup)
